CASUAL COURSES &
OPEN STUDIO

Term 1 2020 18th Feb - 26th Apr

CASUAL MASTER CLASSES

Our Casual Master Classes are designed for art lovers who are confident in their own practice and are seeking a social and relaxed studio environment.

In these classes students bring their own references and ideas to work on in our fantastic Claremont studios. These sessions include short consultations with our industry leading artists.

Artists may choose to bring their own equipment or use the school's professional materials for an additional fee.

THE BENEFITS OF LEARNING ART

Art is a universal language. Our art lessons help individuals understand themselves and the world around them. Art promotes determination, patience and self confidence as well as developing creative problem solving, cognitive function and fine motor skills.

OPEN STUDIO

Our aim is to develop an inspiring community within our studios for art lovers to create and come together. For the first time ever we're opening up our wonderful facilities to professional and casual artists.

Located in the heart of Claremont only 5 minutes from the city we are surrounded by public transport options. Our school has five art studios featuring wonderful natural light and individual workspaces with ample parking, tea, coffee and lunch amenities. Let our studio become yours.
